

# LUNACON 2016

## Souvenir Book Rate Card

Effective January 2016

**LUNACON** is back after a year off to re-imagine our Convention. **LUNACON** is the principal regional convention of Science Fiction and Fantasy fans in the New York Metropolitan area, now run by the *New York Science Fiction Society – the Lunarians (2), Inc.*, a revitalized and reorganized version of the group that ran **LUNACON** in the past. 2016 will mark our 58th Convention. Once again, **LUNACON** will be held at the luxurious and spacious Hilton Westchester in Rye Brook, New York, our home for 21 of the last 23 years, a short trip north of New York City, in Westchester County, over the weekend of March 18 - 20, 2016.

Our *Guest of Honors* are **Robert J. Sawyer**, **Rick Sternbach**, **Naomi Novik** and *Filkers* **Murder Ballads**. These special guests and many writers, editors, artists and others in the field will participate in our regular programming, which will cover a wide range of topics and go well beyond the confines of science fiction and fantasy. In addition, we will have a masquerade, movies, Animé, Dealers' Room, Books and More Exhibit and Raffle (surplus funds from the raffle will be added to the *Lunarians' Donald A. and Elsie B. Wollheim Memorial Scholarship Fund*), gaming, filksinging, filk concerts, Opening Ceremonies, a Regency Dance, one of the best convention Art Shows in the country plus many special events that can only be found at a **LUNACON**.

The **LUNACON 2016** Souvenir Book will reach an audience almost exclusively composed of science fiction, fantasy and gaming fans. The interior pages will be printed on a white 50 lb. text stock, with a sturdy, gloss cover. We have a limited capacity for 2 or 4 color advertising for interested advertisers. This guaranteed collector's item will be distributed to all attendees at the Convention and mailed to those members who do not attend.
